- Any player who does not have a 2019/20 average will bowl scratch
- PBA & National Team Members will bowl scratch

Format

- Each team will bowl three games on the same pair of lanes
- Teams will be randomly assigned lanes by tournament staff
- Teams will be ranked based on their total team score plus handicap
- There will be one cash prize awarded for each four entries
- In the event of ties, prize money for the affected position will be equally divided

Entries

- Bowlers may bowl as many squads as they desire with the same partner, but only cash one time in the top ten with the same partner. Team's comprised of the same two bowlers who have multiple top 10 scores will cash in places eleventh and lower. For example, if team "A" bowls two squads and records the highest two scores of the tournament, they will receive first place money for their highest score, and eleventh place money for the second place score. Scores three through eleven would then move up one spot in place money.
- Bowlers may cash multiple times in the top ten places with different partners.
- Bowlers may send in entries prior to their desired squad or enter in person
- Payments may be made with cash, check or credit card for early entries and cash or credit card for day of entries (NOTE: All credit card payments will incur a \$2.50/bowler transaction fee).
- Squads will be as follows:
 - o Saturdays (October 10th, 17th, 24th) at 10:00am, Noon and 2:00pm
